

Our team of dedicated professionals can help your government navigate the complex landscape of potential Cannabis and botanical enterprises on Tribal lands. Our highly-proficient team of professionals has over forty years of experience in the law enforcement profession, twenty-five years in narcotics enforcement, and over twenty years in Tribal enterprise regulation and business management.

We've had proven success designing Tribal law, ordinances, and regulations related to Tribal-licensed Cannabis enterprises. We have experience in Cannabis business design for Tribal Nations and we can assist your government in taking advantage of economic opportunity, compliance with state law, and the protection of your community.

Santa Ysabel's Tribal Cannabis Ordinance and Regulations are "a thing of beauty."
