How to reduce cost by purchasing with NJPA

National Joint Powers Alliance® (NJPA) is a self-supporting government organization that partners with education, government, tribes, and nonprofits to boost student and community success. Throughout the U.S. and Canada, we offer an innovative cooperative purchasing program. On behalf of our members, including tribal governments, NJPA conducts competitive solicitations, awarding cooperative contracts to the most responsive and responsible vendors at the manufacturer level. Members can purchase off these contracts through their local dealers often saving time, energy, and money while shopping local. Membership is at no cost, no obligation.
