

Freddie Harmon – Vice President, Human Resources. Viejas Casino & Resort

Freddie Harmon, Vice President of Human Resources joined Viejas Casino & Resort in January of 2017 and has led the efforts for onboarding an additional 300 team members with the recent addition of Willows Hotel & Spa, multiple restaurants and expansion of the casino space. Harmon also designed and opened the Viejas Center of Career Development, a center focused on providing team members with various training opportunities to assist with continuous career development and personal growth.

Harmon, a hospitality executive with over 25 years of experience in the hospitality and gaming industries, has held executive leadership roles in hospitality operations, human resources, marketing and entertainment. Harmon's career in the gaming industry included leading the human resources efforts during the openings of several high profile Las Vegas gaming properties and two international gaming resorts. As the founder of Harmon Resources Consulting, Harmon assisted on over 20 openings world-wide in the gaming/hospitality industry with clients including Las Vegas Sands, MGM Resorts International (previously MGM Mirage), Canyon Ranch Spas, Philadelphia Park, and M Resort.
